11.	Bolivia (11) BOL	3	0	0%	8.3	25

ISSUES

None

A pair of sneakers for athlete Daniel Chisholm was missing from room #1713. This was immediately reported to the Chef-De-Mission for her actioning.

None

None

None

RECOMMENDATIONS

- Have a stable WIFI internet connection is vital to keeping abreast with current happenings, there were periodic intervals where there was no internet connections in the rooms coupled with intermittent power outages.
- Have 24 hours working laundromat or at least a washer/dryer facility for self-service – Games were played for consecutive days (night and following morning) and uniforms had to be hand washed and dried.
