Event Report

Republic Bank 3x3 Basketball Tournament

Players with 3x3 Experience

Summary

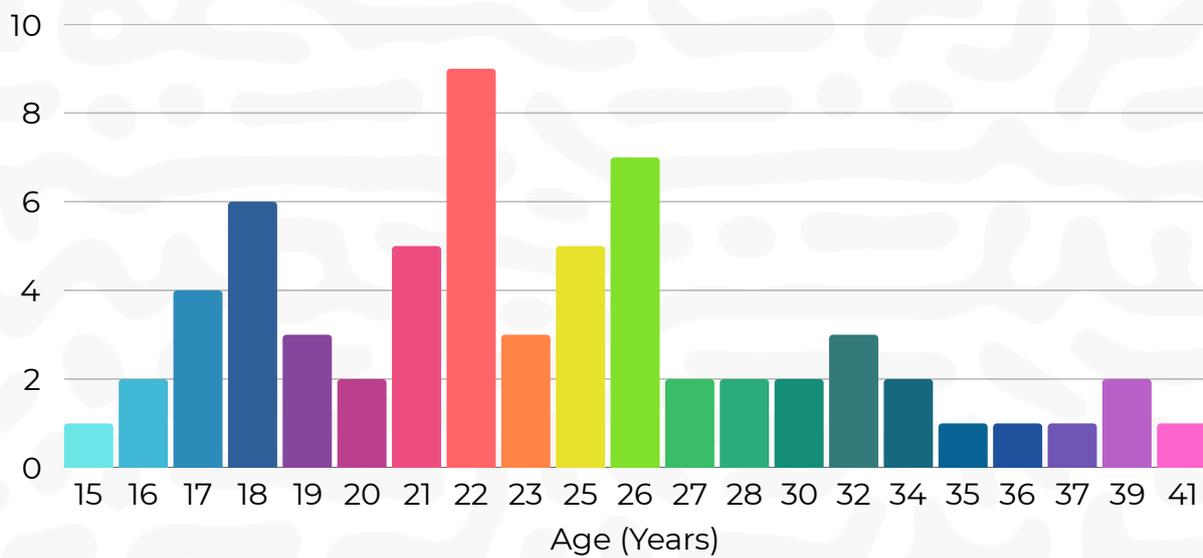

The mix of experienced and first-time teams in the EDGE Series 2025 creates a balanced environment where seasoned players bring tactical awareness and competitive sharpness, while new entrants broaden the player pool and strengthen the foundation for future 3x3 development. This combination ensures competitive variety, heightens the potential for upsets, and provides organizers with opportunities to foster growth through fair seeding and educational initiatives such as clinics or workshops on the 3x3 format.

EDGE SERIES

Operations & Logistics

- Venues were secured through requests made to **Ministry of Culture Youth & Sports & Ministry of Public Works**.
- Transportation and accommodation for international athletes were arranged through local partners (**HTCC**).
- Medical and emergency response was supported by the **Guyana Fire Service**.
- Live streaming of events was facilitated through media partners (**What's Happening Guyana**) & **Nexx Gen**, ensuring broad reach for fans at home and abroad.

EDGE SERIES

Conclusion & Next Steps

- **Enhanced Production Standards:** Improving the quality of live coverage through partnerships with experienced production teams and pre-event media training for commentators and presenters.
- **Sponsorship and Institutional Alignment:** Solidifying long-term partnerships with sponsors and federations to ensure continuity, strategic alignment, and sustainable growth.
- **Expansion and Internationalization:** Positioning the EDGE Series to grow in scale, include more disciplines, and attract greater regional and international participation in 2026 and beyond.
